

A squirrel with a large bushy tail is perched on a tree trunk, looking towards a large, bright, eight-pointed star in a dark blue night sky. The squirrel has reddish-brown fur on its back and a white belly. The tree trunk is light brown and textured. The background is a deep blue night sky with several smaller, four-pointed stars. In the lower right, there are silhouettes of evergreen trees and a body of water.

Wie das Eichhörnchen seinen Glücksstern fand
